Newbridge South: STAGE 1

Arum Release

Comprising just six lots, the Arum Release provides a great opportunity to be part of the master-planned Newbridge South community from the very beginning. Occupying a central location just moments from the future community centre and sporting fields, these prized lots are also within easy reach of Our Lady of the Way Catholic Primary School (opening June 2019). There's a range of standard lots sizes available to suit a variety of home designs and lifestyle needs.

At Newbridge South, you can say hello to it all!
