Newbridge South: STAGE 2

Foxtail Release

Comprising just five lots, the Foxtail Release provides a great opportunity to be part of the master-planned Newbridge South community from the very beginning. Situated right next to the picturesque wetlands, you'll be able to enjoy the beautiful surrounds of nature on your door step. Plus you'll be in easy reach of Our Lady of the Way Catholic Primary School (opened June 2019). There's a range of standard lots sizes available to suit a variety of home designs and lifestyle needs.
